

## **The Safety Sleeper™ Limited Warranty**

Warranty is extended only to the original purchaser. A purchase receipt or other proof of date of original purchase will be required before warranty performance is rendered.

Warranty covers failures due to manufacturing defects which occur during normal use. It does not cover damage which results from misuse, abuse, mishandling, alteration, or improper assembly.

Warranty is good for one (1) year from the date of delivery. We will provide the material and labor to repair any flaws due to manufacturer defect; in this event we will provide shipping.

We are happy to repair anything not covered by the warranty in the event that The Safety Sleeper™ is damaged on your part. We can discuss the cost for materials, labor and shipping on a custom basis.

There are no other express oral or written warranties with respect to this product, and all warranties implied by law, including any warranties of merchantability or fitness for a particular purpose, are limited to their duration to the 60-day warranty period. We are happy to provide the labor and material to repair anything not covered by the warranty for additional charges, shipping and handling.
